

INDIANA DEPARTMENT OF
HOMELAND SECURITY
Leadership for a safe and secure Indiana

Getting the Biggest Bang for your Bucks

The Link Between
Damage Assessment and Disaster Recovery

Mission

To safeguard Hoosiers by planning for, preparing for and responding to and recovering from all hazards.

WHY?

- Indiana is not immune to devastating acts of nature or human aggression.
- Floods, Tornadoes, Blizzards, Fires & Earthquakes.
- More than 25 Presidential major disaster declarations since 1990, and 5 Presidential Emergency Declarations.

Spectrum of Emergencies & Disasters

- Severe storms
- Tornado activity
- Flooding
- Winter storm/Ice storm
- Chemical, biological, radiological, nuclear, and explosive activity
- Terrorism
- Other

Emergency Management Cycle

The District Concept

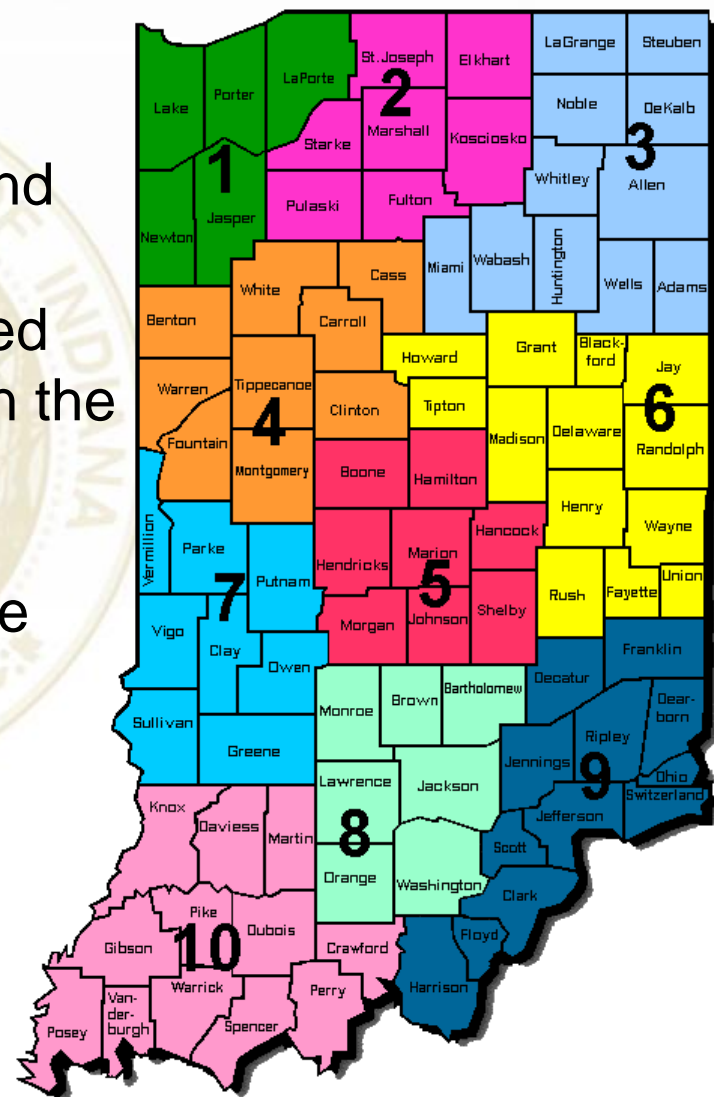

A cooperative effort involving local elected officials, emergency management, emergency responders and local community and civic groups on a regional level

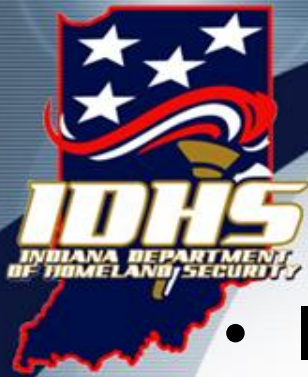

Homeland Security Districts

- The Indiana Department of Homeland Security and the Indiana State Department of Health have established ten Homeland Security Districts within the State of Indiana.
- Each District is comprised of multiple counties and the numerous local communities within them.
- Each District is unique in character, needs and capabilities.

Recovery Branch

- Individual Assistance
- Public Assistance
- Hazard Mitigation
- State Disaster Relief Fund

Columbus, IN 2008

East Fork White River

State Disaster Relief Fund

- Fund can be made available when:
 - FEMA Denies State Request for Assistance
 - SBA Disaster is Declared and home owners are denied assistance.
- **STATE FUNDED PROGRAM**
 - Public Assistance – Infrastructure Damages
 - Individual Assistance – Home Owners/Renters

Keys to Assistance

- Local Disaster Declaration
- Damage Assessments
 - Homes
 - Infrastructure
- ☐ Timely Notification of State
- ☐ Complete Assessment of damages
- ☐ Unified Approach by State and Federal Agencies.

Damage Assessment

Assessment is mandated

- IDHS for EMA Directors
- IDNR for Flood Plain Managers
- Requirement Similarities
 - Flood Events – based on depth of water
 - Other Events – tornado, lightning, fire, etc.
- Various Tools being used

IDHS Damage Reporting

- Web Based
- Home owner / Renter can initiate report
- Helps guide damage assessment teams
- Allows for an initial census of property damage
- View the Tool

Individual Assistance – Home Owners & Renters
